## **Eastwoods frying high under new owners**

The Skipton-based Bizzie Lizzie's Group has completed a major refurbishment project at its latest acquisition, Eastwoods Fish Restaurant & Takeaway in Keighley Road.

An investment programme was completed recently with the installation of a new state-of-the-art, purpose-built five-pan Kiremko frying range, manufactured in Holland. The 50-seat restaurant, takeaway, preparation and frying areas have also been upgraded to comply with the latest health and safety standards and regulations.

A 13-strong full and part-time team has been put in place at Eastwoods.

"We have kept the Eastwoods name because it has been so well-known in Skipton and beyond since the 1940s. While we have brought the business into the 21<sup>st</sup> Century and are looking to develop new fish-led menus, we are determined to retain a traditional feel," said Bizzie Lizzie's group partner Mark Davison.
