GROUP LAUNCHES UPGRADED WEBSITE

The Bizzie Lizzie's Group has gone live with an upgraded website. The site is much more user-friendly, shining individual spotlights on all the Group's three Skipton shops. It features details of restaurant menus, a newsroom, special events listings, even job vacancies.

Rebecca Lacy, General Manager of the Bizzie Lizzie's Group, said: 'We're constantly looking at ways in which

we can enhance our lines of communication with both present and potential customers.

'The introduction of our new website is seen as an ideal communications tool, keeping both staff and our valued and fast-expanding customer base fully informed about the latest developments in our successful business, built on standards of quality and customer service'.

ON THE BALL AT SKIPTON RFC

The Bizzie Lizzie's Group has announced a major sponsorship deal with the town's leading rugby union club.

The business signed up for a multi-year commitment to Skipton RFC, ahead of the newly promoted club's first season in Yorkshire Division One.

Club chairman Robin Hargrave said: 'When we gained promotion, we hoped we would find a successful local company wanting to share in our success. We are delighted that the Bizzie Lizzie's Group has decided to link up with us and offer this generous sponsorship deal'.

The partnership with Skipton RFC renews old ties for the Bizzie Lizzie's Group. Partner Mark Davison was a popular 1st team captain at the club in the early 1990s, while general manager Rebecca Lacy is married to the

club's fitness coach Paul Lacy. 'Skipton RFC is going places and we are proud to be part of their success through our local community support programme', said Bizzie Lizzie's Group Partner Jean Ritson.

Teeing up a t-shirt treat

The Bizzie Lizzie's Group 'kitted out the kids' by giving away free t-shirts to its younger customers during the school holidays.

The promotion allowed 3 to 12-year-olds the opportunity to collect a voucher every time they ate a children's meal at the Group's three restaurants. Once they had three vouchers, they could claim their t-shirt.

Modelling the new Bizzie Lizzie's Group t-shirts are, from left, Poppy McCartan, age seven, from Skipton, Megan Davison, ten, of Barnoldswick, Emily Peach, three, and six-year-old Harry Hargraves, both from Skipton.

DELIGHT FOR BIZZIE B PRIZE COMPETITION WINNERS

A series of seasonal big-prize competitions being run by the Bizzie B Children's Club for younger customers aged 3 to 12 years is proving a big, big hit.

Some superb prizes have been up for grabs – and will continue to be so in the future.

Successful in the launch competition was seven-year-old Jordan Weatherall, of Thwaites, Keighley, a pupil at Eastburn Primary School, who won a brand-new mountain bike from Skipton-based Dave Ferguson Cycles.

In the second contest, ten-year-old

Charlie Allan, of Skipton, won a Wii games console and free game. Charlie, then a pupil at Skipton Parish Church School, said he was delighted to get his hands on the hottest property in home entertainment and was looking forward to Wii battles with his friends.

Winner of a portable DVD player in the third competition was seven-year-old Holly Park, of Addingham. The Addingham Primary School pupil learned of her success soon after being selected as a gala queen attendant for the annual village gala. Ten-year-old Charlie Smith, of Barnoldswick, jumped for joy – quite literally – after winning a brand-new jump bike in the fourth competition. The Thornton-in-Craven Primary School pupil said he couldn't wait to start practising his wheelies in his local park after receiving his bike.

Look out for more great Bizzie B competitions in the future.

REDUCING CARBON FOOTPRINT

Environmental considerations are high on the agenda at the Bizzie Lizzie's Group as it constantly looks to minimise its carbon footprint.

The Group recycles its spent beef dripping, along with all plastic cardboard and glass.

Partner Jean Ritson comments: 'We take our environmental responsibilities very seriously and are doing everything in our power to become increasingly eco-friendly at every possible opportunity.'

Festive fun all the way

Father Christmas has again been booked to appear at Bizzie's in December.

Local youngsters can't seem to get enough of these annual Christmas treats at Bizzie's, served up by Santa's little helpers, followed by a personal meeting with the great man himself to receive their Christmas presents.

Keep an eye open for leaflets which will give full details of this extra-special annual event.

Father Christmas, with helpers, meets his followers at Bizzie's at last year's Christmas celebrations. Among them are members of St Andrew's Rainbows in Skipton.

The Bizzie Lizzie's Group warmly welcomes constructive customer feedback concerning any aspects of the business. If you have any ideas or suggestions as to how we might enhance our operation, feel free to let us know. With your help, we can only continue to improve.
